Dear Customer

Change to regulations for trade promotion lotteries – return of application

A permit is not required for your trade promotion lottery as your event commences after 21 June 2015.

At present, a minor gaming permit is required for trade promotion lotteries where prizes are valued at \$5,000 or more. However, legislation passed by the Victorian Parliament last year removes the requirement for a permit. This change takes effect from 21 June 2015.

Although a permit is not required for your event, you must conduct your trade promotion lottery in accordance with certain conditions. It is an offence to conduct a trade promotion lottery in contravention of these conditions. A full list of all conditions you need to comply with will be available on the VCGLR website from 21 June 2015.

Please make all your staff aware of these changes.

Should you require any further information, please do not hesitate to contact the VCGLR on 1300 182 457 or visit vcglr.vic.gov.au

Yours sincerely
